

2024 Exam Prayer Timetable

This summer, many of our young people will be taking their SATS, GCSE, A-level or University Exams. Listed below are the dates of those exams so that all of us within NPBC can support them in our prayers. Please also encourage them when you see them around – they really appreciate it!

Some of our university students also have various essays and dissertations to complete during this time, so please remember them in your prayers.

“Don't worry about anything, but in all your prayers ask God for what you need, always asking him with a thankful heart. And God's peace, which is far beyond human understanding, will keep your hearts and minds safe in union with Christ Jesus.” Philippians 4:6-7
